## ***Song Leader - Employment***

Worship is more than music before a sermon. Worship happens every day and should never be confined to the church. The responsibility of camp's worship leader is to lead others to live their lives like the lyrics of a song, continually praising God for His love and goodness. If you agree, you might very well be what we are looking for.

We are currently looking for someone to lead our camp in worship. We are a small camp, so the worship band is usually the song leader and his or her guitar. It's a humble setting. Consider it more like a one-man (or woman) band opportunity, if you will. Nevertheless, being the song leader at Camp Ithiel is incredibly rewarding and will stretch you.
